AAA | Sassy Explorers

Our third annual murder mystery dinner is back and better than ever! This year, we're switching venues but maintaining the same scandal, mystery, and intrigue. The ladies of the Redbud Garden Club are gathering for their annual event when their speaker is found dead! Help us determine who did it over a 5 course meal while wearing your largest floral hat. Register early as this will sell out!

Character list: **Violet King** - a local spinster who prides herself on winning namesakes. Violet always wears purple. **Ivy Verde** - a stereotypical hypochondriac who is a walking pharmacy and wears green from head to toe. **Flora Fondly** - the Ways and Means Chairman for the garden club. Wears loads of floral prints with bright blue eyeshadow and red lipstick. **Iris Wong** - an Oriental beauty who wears a kimono and grows bonsai trees. **Pansy Doolittle** - an honorary member of the garden club. She dresses flamboyantly and has her servants grow flowers for her. **Delilah DeHart** - a glamorous, overly made up mogul who wears gaudy jewelry. **Maggie Nolia** - has Southern American charm and wears hats and a parasol. **Coral Bell** - a bookish lady who is always wearing a shade of pink.
