Welcome to Italy, a land rich in history, culture, art, and romance. The journey begins in Rome, "The Eternal City." Begin with a locally guided panoramic tour of Rome featuring the impressive Piazza Venezia, the Circus Maximus, the Arch of Constantine, the famous Piazza Navona, and a visit to the Colosseum. With free time to explore on your own, you could visit Vatican City, the Vatican Museums, and St. Peter's Basilica. Ease your way into local culture as your tour manager teaches you a few key phrases of the native language. Take a guided walking tour of Assisi, birthplace of St. Francis. Behold one of the grandest squares in Italy, the Piazza IV Novembre, and delight in the medieval palaces and ornate cathedrals in Perugia.

A scenic journey through Tuscany's hills will bring you to mystical Siena. After a walking tour, explore the medieval corners of Siena with its great shops and outdoor cafes. Arrive in Florence and visit the world-famous Academy Gallery to see Michelangelo's incredible statue of David. While here, view the Cathedral of Santa Maria del Fiore, the Palazzo Vecchio, and the Church of Santa Croce. Afterwards, learn the traditional Italian techniques of leather making from a native family and learn about Florentine gold.

Visit a 12th century castle and a historic winery in the Chianti region. Learn more about Tuscany's famous wines and enjoy a light lunch filled with local specialties. Journey through central Italy to reach Venice. Weather permitting, enjoy a boat ride to Murano Island for an up-close glass making demonstration. Explore Venice with your guide before journeying to the picturesque Italian Lake district. End your trip in Milan Malpensa with a farewell dinner.
