Set forth on a horticultural voyage of discovery that takes you from the excitement of London to the history of York to the pageantry of Edinburgh, all with an eye on Britain's stately gardens. Your tour begins in London, the cosmopolitan and historic capital of Britain. See the quintessential sights of London with a local guide, viewing Buckingham Palace, Westminster Abbey and more. Step into the formal world of the British Monarchy as you visit the expansive Windsor Castle. This working Royal residence dates back to the 1070s. Travel to RHS Garden Wisley, a stunning 60-acre estate. Wisley houses an astounding array of common and exotic flora.

Visit Cambridge, home of the famous 800+ year old university, and enjoy a student-led guided tour. Complete your visit with a stop at the famed Cambridge Botanic Garden. In Yorkshire, visit the spectacular Castle Howard. Explore the extensive gardens and grounds with their multitude of fountains and "follies." Later, visit York and take a walking tour. Step lively along the "Shambles," a quaint, narrow street that appears today as it did in the Middle Ages. Stretch out your arms and you can almost reach both sides of the street!

Head north past rolling fields on your way to regal Scotland. In Harlow Carr, visit the splendid RHS garden in North Yorkshire. Enjoy an exclusive workshop on garden design here. Stop for a photo of Hadrian's Wall, built in AD 122, and travel to Scotland's Border Region. Join a local expert on a guided tour of the Royal Botanic Garden Edinburgh. Toast the end of your trip with a banquet of local cuisine.
